

VOLTA BASEL 2019

BOOTH A02

Monday, June 10 – Saturday, June 15, 2019

C24 Gallery is proud to present a solo exhibition of **Christian Vincent's** work at **Volta Basel** from June 10-15, at Elsässerstrasse 215, Basel.

VOLTA, Basel's art fair for new international positions, debuted in 2005 as a collaboration between dealers and friends. The aim was to secure a platform for international galleries beyond young art stalwart Liste and market heavyweight Art Basel. Concerns and aspirations of the exhibiting gallerists have been first and foremost since **VOLTA's** inception; in combination with the curatorial mind of Artistic Director Amanda Coulson, eclectic and dynamic presentations with a strong focus on solo presentations find a stage as refined as at the main fair.

Noted for being a "space for discovery", **VOLTA** returns to the former COOP distribution center as the newest cultural hub in Basel. Located across from the Novartis Campus at Elsässerstrasse 215, just 9 minutes away from the main fair and within the neighborhood of the very first venue at Volaplatz. **VOLTA** sets the tone and plants its (artistic) flag as the first major event within the space.
