

## Christian Vincent, Bio

Christian Vincent is an artist living and working in Los Angeles, California. He studied at the Art Center College of Design, Pasadena, CA. His dream-like paintings explore the dynamics of conformity and desire in social situations within the framework of a post-industrial world. His strong compositions feel melancholic and evoke a sense of isolation. The subjects, often youthful figures on the verge of adulthood, capture a sense of innocence confronted with the compromises of modern life. Vincent's work has been exhibited extensively in the United States, including at the Naples Art Museum, Naples, FL; Susquehanna Art Museum, Harrisburg, PA; Frye Art Museum, Seattle, WA; Arnot Art Museum, Elmira, NY; The Museum of Biblical Art, Dallas TX; and Biedenharn Museum, Monroe, LA. His work is also included in several prominent private collections internationally.
