BOOTH ZMS14

Wednesday, February 6 – Sunday, February 10, 2019

C24 Gallery is proud to present a solo exhibition of **Nilbar Güreş**' work for the first time ever at **ZsONA MACO**.

Turkish and Austrian artist Nilbar Güreş will have her collages shown in conjunction with her debut solo show with C24 Gallery, slated for Spring of 2019. Her feminist work spans a variety of media including collage, photography, video performance and installation. Güreş often seeks to expose the experience of LGBTQI refugees, giving the most vulnerable members of society a platform.

Her work can be found in the public collections of the *Jewish Museum*, Berlin, Germany; *Van Abbe Museum*, Eindhoven, Netherlands; *Museum der Moderne*, Salzburg, Austria; *Stedelijk Museum*, Amsterdam, Netherlands, among many others. Güreş most recently participated in the Atlantic Project's site-specific group project *After the Future*, during which her photographs of local Kurdish refugees were displayed as billboards in Plymouth, UK.
